Safety pictograms

-  Wear ear protection
-  Wear eye protection
-  Wear a dust mask
-  Not permitted for face grinding cutting only.
-  Grinding
-  Wear gloves
-  Read the instructions

How to use the machine

-  Angle grinder (cutting-off)
-  Angle grinder (grinding)

Application pictograms

-  Stainless steel
-  Steel

The personal safety of workers using abrasive cutting and grinding wheels is the primary concern of Flexovit and Saint-Gobain Abrasives. All Flexovit abrasive wheels are developed, manufactured and safety tested in accordance with the European standard "EN12413 - Safety requirements for bonded abrasive products". Flexovit is an ISO 9001 registered manufacturer and Flexovit products are approved by the international safety standard oSa.
